To the Trustees of the New York Society Library

Gentlemen

We the Subscribers Members of the N.Y. Society Library beg leave to State to you that there is now Printing in London, and nearly compleat a Work Entitled the Millers Gardeners & Bot.l Dictionary, Edited by T. Martin — the most Scientific work on the Subject of Botany, Gardening & Rural Improvent that has ever yet been Printed it is Millers Gardeners Dictionary Revised with all the additions & Improvements which have been made in the Science of Botany the Cultivation of Trees & Plants & with that of Agriculture generally — the different Plants newly arranged & Classed agreeable to Modern Improvements & Discoveries in the Science of Botany — and as no work of the kind is at Present in the Library except those Printed many years since — & as it is desireable that an

Institution so Extensive Beneficial as the
Newyork Society Library should
Posses so Valuable a Work we therefore
Respectfully request that the trustees will
direct the said
Dictionary to be Purchased
and Sent out as early in the Spring
as may conveniently be done
I am Gentlemn
Your Respectfully
